**See list below**

Is your WAN host and DIA Administration?

**NO, it is not, Dinwiddie Middle School is our DIA (Hub Site for Internet)**

I noticed the 470 mentions 7 sites but I might have more listed in my system. Could you please review the below locations and let me know which ones we should be quoting?

**See list below**

My question was that we have the sites below as all your locations- are there any others?

**See list below**

Can you provide the location that the Internet circuit would be delivered as well as locations for WAN circuits?
