There is an area #5 in the RFQ but no image of it on the maps pdf; where is the area is question located?

Dinwiddie High School

Area #5 is not labeled on the Maps pdf file. Where is this area located so we can get an "eyes on site" look?

Dinwiddie High School

There is blue paint that runs perpendicular and inconsistently with the existing parking paints on areas #2 and #3. Is this to be ignored in pricing and replacing or should it, too, be factored in.?

This was addressed in instruction to the bidder. Blue lines are for the mock football field and for HS band practice. Blue lines for bus line up overlaid while lines for car parking at DMS. All lines to be remarked.

Will the perpendicular & inconsistent blue paint that currently exists on areas #2 and #3 have to be replaced?

Yes

Will the contractor be responsible for touching up paint that exists on the concrete curbing, where applicable?

Yes
