

Board Bulletin

May 2020

The Board Bulletin provides important information about the work of the Dinwiddie County School Board. Following each meeting, the Board Bulletin is a source for details on Board actions and items of interest to Dinwiddie students, staff, and residents.

School & Community Relations

Christie Clarke provided an update from the Communication Office. Each school continues to be in communication with our families. We continue to answer questions and respond to families by phone and email at info@dcpsnet.org. Jenney Walters was named the Division Teacher of the Year in a surprise visit last week. She along with all the school Teacher of Year winners will be formally recognized at a future board meeting. We are finding ways to help celebrate and encourage the Class of 2020. On May 1, over 40 administrators, teachers, and board members delivered yard signs to the seniors. Carly Woolfolk has created a senior website where they can find important information and updates. On May 22, the School Counseling Department will be hosting a virtual Decision Day. Students are sending in their future plans. This will be shared that day on social media. That night at 7PM, the Light Up the Fields event will take place at the high school athletic fields to honor the Spring Senior Athletes. Final Graduation Plans will be announced this week. Graduation will take place on Friday, June 12. Specific details will be released with information sent out to the students and their families.
