Superintendent Matters

Payroll Tax Deferment

Christie Fleming, Director of Finance, shared information with the Board regarding the Payroll Tax Deferment, which is optional for employers. DCPS will not be participating in this as it is not a tax holiday but a deferment of taxes. Employees would still owe the taxes beginning in January 2021.

Enrollment Update

Christie Fleming provided the Board with an Enrollment Update. The FY21 Budget is based on 4250 students. Currently, our enrollment is 4,174, a reduction of 76 students. Enrollment in monitored daily.

FY21 Budget Update

Christie Fleming provided a budget update to the Board.   Based on the new state revenue projections, sales tax is estimated to be approximately 197,000 less than what is included in the current FY21 budget. In addition, approximately $868,000 in state revenues could be lost due to the lower enrollment. Appropriate measures are being taken to ensure we can cover these reductions in revenue for this current budget year. Currently, vacant positions are able to cover these anticipated shortages. More detailed information will be available when the General Assembly returns to session in January.

Return to Learn Update - Student Support

Dr. Weston and Dr. Gurley provided a **Return to Learn Update** to the Board.
