‘Sexually explicit content’ means (i) any description of or (ii) any picture, photograph, drawing, motion picture film, digital image or similar visual representation depicting sexual bestiality, a lewd exhibition of nudity, as nudity is defined in [§ 18.2-390](#), sexual excitement, sexual conduct or sadomasochistic abuse, as also defined in [§ 18.2-390](#), coprophilia, urophilia, or fetishism.

As it applies to the 2023-24 academic year, the following instructional materials that include sexually explicit content will be used:

*At this time, Dinwiddie Elementary has no materials that meet these criteria currently in use.		

Parents who wish to request an alternative instructional material should [complete this form](#) and return to the child’s teacher within 10 days of the start date of the unit/lesson. The student will be given an alternate assignment by their child’s teacher in a non-punitive manner. Parents may review any instructional materials and should contact the school principal to do so.
